

Dear _____

We have been told that you did not go to your breast screening appointment.

Breast screening means having a mammogram. This is a special picture of your breasts.

It is important that you go for breast screening.

If you need extra support, or help to attend breast screening, please phone _____.

We will be happy to help you.

If you want to talk about this more, please come and see the nurse.

Please look at the information that we have sent with this letter. This may answer some of your questions.

Yours sincerely,
